SUPPLEMENT TO REPORT NO.

The attachment 1. Theatheatment is a plan drawn up by the Reparations Division of the SMA for the reparations deliveries from the Russian Zone for 1949. This plan has not yet been approved by Marshal Sokolovsky, but it is not expected that he will recommend any major changes. Officials of the German Economic Commission believe that this plan, as it now stands, can be carried out without reduction of planned deliveries to the Russian Zone. However, the Russians have just delivered their expected demands for occupation costs for 1949, which were higher than had been anticipated by the German planners.
